April is Occupational Therapy Month

Occupational therapy helps patients recover and/or develop skills needed for the activities of daily living, including self-care, leisure, independent living, and work. Occupational Therapists work in hospitals, in schools, in skilled nursing facilities and with patients in their own homes. Larry Kerns, is an Occupational Therapist at Oak Village Healthcare in Oaktown Indiana. Larry received his degree from Eastern Kentucky University.

Larry chose his career because when he was in the 4th grade he got hit by a truck and had to do physical therapy, he remembered how much they helped him and wanted to help others. Larry enjoys what he does because he gets to help residents with rehabilitation and get back to their prior level of function. Larry is married to Ivy and they have one son together Harrison. He stays active by playing golf, farming, and

spending time with his son. Larry's co-workers stated, "He is great with the residents and goes above and beyond." Larry stated, "Occupational therapy is a great profession and I highly recommend it." Larry, Oak Village appreciates you for all your hard work and dedication to our residents.

**Please take time to visit
Oak Village for a tour,
and visit our therapy
department.**

THANK YOU TO ALL THE VOLUNTEERS!!!!

April 20th is Volunteer Recognition Day.

Every facility needs the help of volunteers to enhance the lives of the residents. Here at Oak Village, we have the greatest volunteers from our fantastic community. Whether they provide entertainment to the building, help residents with crafts and puzzles, help with card games, they make the residents even happier. We believe that more interaction with the community creates a better health and well-being for the resident.

We would just like to take a moment to recognize each volunteer for being AMAZING!!!!!!

RESIDENT EASTER RECEPTION

For Easter our Residents got a special treat!!!! Oak Village Healthcare's own Activity Director, Cathie Land, made homemade Peep cupcakes, Bunny Tails, and Bunny Mints. The Residents also got Reeses' Pieces Carrots! The Residents were excited and had a lot of fun!!!! Thanks Cathie!!

ADMINISTRATORS DAY

In honor of Administrative Professionals Day last month (March 25, 2018), the staff and residents at Oak Village Healthcare took some time to show their appreciation to Carol Davis, HFA. Carol is our administrator here at Oak Village and her hard work and determination gives each one of us something to strive for. The staff and residents got Carol a rose bush and a plaque that will be placed here in our garden for everyone to see. Thank you Carol for being amazing with the residents and the staff!

About Oak Village:

Nobody wants to have their loved ones placed into a Long Term Care Facility or a Short Term Rehab, but sometimes it has to be done for the health and well-being of the loved one and the caregivers. We are a family at Oak Village Healthcare. We take care of yours like they are ours!!!! Just a little bit of a drive, to know that your loved ones are in the right place.

We are a skilled nursing facility offering quality rehabilitative care as well as excellent long-term care. We believe in a family environment. We offer nice, spacious rooms and encourage you to decorate just like you would at home.

We are located in Oaktown, Indiana, 20 minutes from either Vincennes Good Samaritan Hospital or Sullivan County Community Hospital. Our small, home town, country atmosphere and excellent care is worth the drive!

[Come on in and take a tour, you'll see what we are talking about!](#)
