THE SEASON OF GIVING WAS IN THE AIR AT OAK VILLAGE HEALTHCARE!!!

December was amazing here at Oak Village Healthcare. We had visitors from different schools that brought presents and Christmas Caroled to our Residents and Staff. We had a visit from one of Santa's elves, who was passing out kisses and asking about the Resident's favorite Christmas memory. Then Santa came and brought Frosty the Snowman with him to have a party and pass out presents to our Residents. Then our Residents got to ring in the New Year with sparkling cider and sweet treats!!! 2019 is looking very bright! Take a look at the pictures and see how busy we were!

The Residents loved the singing and the visiting with the kids!! They had great Christmas spirit!

Santa's Elf made our Residents laugh and laugh! Love and fun is what we like.

About Oak Village:

Nobody wants to have their loved ones placed into a Long Term Care Facility or a Short Term Rehab, but sometimes it has to be done for the health and well-being of the loved one and the caregivers. We are a family at Oak Village Healthcare. We take care of yours like they are ours!!!! Just a little bit of a drive, to know that your loved ones are in the right place.

We are a skilled nursing facility offering quality rehabilitative care as well as excellent long-term care. We believe in a family environment. We offer nice, spacious rooms and encourage you to decorate just like you would at home.

We are located in Oaktown, Indiana, 20 minutes from either Vincennes Good Samaritan Hospital or Sullivan County Community Hospital. Our small, home town, country atmosphere and excellent care is worth the drive!

Come on in and take a tour, you'll see what we are talking about!
