# LOOK UP AT THE SKY DAY & BALLOON RELEASE!!!!!!

On April 12, 2018 the Residents and the Staff went outside to enjoy the beautiful weather but very windy. We decided to release some balloons for Look Up at the Sky Day. We had 30 balloons with notes asking people if they found them to give us a call and let us know how far they made it. The farthest call was from Henderson, KY. The family said that their son had seen them in a tree and climbed up to get them, red the note, and asked his Mom if he could call. He was very excited to know that he made the Residents day! ## About Oak Village:

Nobody wants to have their loved ones placed into a Long Term Care Facility or a Short Term Rehab, but sometimes it has to be done for the health and well-being of the loved one and the caregivers. We are a family at Oak Village Healthcare. We take care of yours like they are ours!!!! Just a little bit of a drive, to know that your loved ones are in the right place.

We are a skilled nursing facility offering quality rehabilitative care as well as excellent long-term care. We believe in a family environment. We offer nice, spacious rooms and encourage you to decorate just like you would at home.

We are located in Oaktown, Indiana, 20 minutes from either Vincennes Good Samaritan Hospital or Sullivan County Community Hospital. Our small, home town, country atmosphere and excellent care is worth the drive!

***Come on in and take a tour, you'll see what we are talking about!***

**CONGRATULATIONS** to **LESLIE WORLAND** for winning the **IMG SUPER STAR AWARD FOR MARCH!** Leslie was nominated by her peers here at Oak Village and won our award. That win nominated her for a companywide Super Star Award. Her nomination submission beat out all the other submissions and she won the Super Star award for the whole company!!!!!! We are so proud to have you Leslie!!!! We don't know what we would do without you ☺
