About Oak Village:

Nobody wants to have their loved ones placed into a Long Term Care Facility or a Short Term Rehab, but sometimes it has to be done for the health and well-being of the loved one and the caregivers. We are a family at Oak Village Healthcare. We take care of yours like they are ours!!!! Just a little bit of a drive, to know that your loved ones are in the right place.

We are a skilled nursing facility offering quality rehabilitative care as well as excellent long-term care. We believe in a family environment. We offer nice, spacious rooms and encourage you to decorate just like you would at home.

We are located in Oaktown, Indiana, 20 minutes from either Vincennes Good Samaritan Hospital or Sullivan County Community Hospital. Our small, home town, country atmosphere and excellent care is worth the drive!

Come in and take a tour, you'll see what we are talking about!
